

# Part-Time FE Sports Tutor

Aspire Active Education Group Ltd

Today's children may be the first generation to have a shorter life expectancy than their parents. Aspire want to change that. We know active children do better and we know that the first ten years of a child's life provides a critical window for creating a lifelong commitment to physical activity.

Combating inactivity requires a change in participation trends and attitudes to physical activity in the school environment and at home. Simply, if physical activity were a pill, doctors would be rushing to prescribe it!

Aspire do not prescribe magic pills. Instead, our customer centric approach helps engage children and young people in physical activity. We do this through a delivery, training and partner framework for the purpose of improving physical literacy, health, well-being and academic achievement.

## Job Specification

Recent growth provides the successful candidate with an excellent opportunity to join the Aspire team. You will be responsible for the delivery of the Level 3 OCR Extended diploma in Sport and Physical Activity development as part of our Complete Cricket Academy.
